**NRDC Scheme for Post-Doctoral Fellowships
to work as Consultant**

In order to inculcate post-doctoral research culture, NRDC launches a new scheme for Post-Doctoral Fellowships (PDF) to work as Consultant from the financial year 2006-07 onwards. The scheme aims to fill the void in availability of high quality research personnel in the Corporation to do desk research and provide and strengthen knowledge support. The Scheme shall remain open throughout the year.

This will be rolling advertisement on NRDC Website. Candidates who have either received a Ph.D. or submitted their Ph.D. thesis in the areas viz., Life Sciences, Agri-business, Engineering Sciences, Chemical Sciences, Infrastructure, Information Technology, Telecommunication & Instrumentation, IPR, etc., shall be eligible to apply.

The application so received shall be evaluated by CMD, NRDC along with activity Group Heads whose decision shall be final and binding on the applicants.

The Consultant shall be engaged on yearly basis on six months review basis and can be extended for another year. The maximum duration shall be for a period of 3 years. The candidates shall be paid stipend in the range of Rs.15000-20000 per month with annual increase of Rs. 1000 per month.
